A Great place for people who love nature , mountain ,ethnic minority and it is really wonderful to enjoy your fun day with Trek , cycling in the area . Not too far from Hanoi and easy to go there on good road , you can do this in 1 day , 2 days or 3 days from Hanoi or even from Airport to go straight to there .

Mai Chau is a rural district of Hoa Binh province in the northwestern region of Vietnam. The district is located at about 160 km from Ha Noi. The scenery of Mai Chau attracts many tourists. The small town of Mai Chau itself is unappealing, but just outside the patchwork of rice fields rolls out.
